

Grantmakers Forum of New York

Annual Sustaining Member Campaign

Grantmakers Forum seeks to augment support for programs and services by asking individuals and member organizations to provide donations beyond their annual membership dues. Become a Sustaining Member of Grantmakers Forum with a gift beyond your member dues or an individual gift of \$100 or more.

Networking ■ Knowledge ■ Advocacy

Grantmakers Forum of New York (GFNY) is an association of engaged funders of diverse backgrounds and experience who connect to share and increase their knowledge, improve their practice, and address issues of local, statewide and national importance to philanthropy.

Grantmakers Forum members

- attend Upstate NY conferences and workshops with national practitioners who share and discuss new ideas in philanthropy;
- participate in virtual networking experiences where they learn about new approaches to community improvement with colleagues;
- use valuable information about trends in the field, and news about philanthropy in New York in their work;
- join with GFNY to promote the accomplishments of philanthropy in our region to policymakers, media and the public;
- experience the best the field has to offer through GFNY state-wide and national networking with other associations, affinity groups and funders;
- reflect on their practice with colleagues facing common issues and opportunities.
